

100 Reasons Why a Two-State Solution Will Not Work

Realities on the Ground

❖ Delegitimization and Jihad [see references]

1. Mahmoud Abbas has repeatedly said he will never accept Israel as a Jewish state
2. Poll shows over 60% of "Palestinians" reject a two state solution
3. Same poll says almost 70% of them say two states are acceptable *only* as an interim to one Arab dominated state
4. Muslims reject any Jewish connection to Jerusalem
5. Muslims claim Jews have no connection to the land of Israel
6. Muslims believe they have a right to any land they once controlled, thus do not recognize anyone else's sovereignty on said land
7. Muslims believe the entire land area of Israel belongs to them and view the Jews as occupiers
8. Religious leaders teach Muslims to blame the Jews for countless problems
9. Muslim religious leaders teach the 12th Imam [their messiah] will return to promote killing of Jews and Christians
10. Mahmoud Ahmadinejad believes he has been chosen to facilitate this
11. Muslims are taught the holiest act they can commit is martyrdom. This is an act of suicide which includes the murder of an "infidel," [non-believer] preferably a Jew.
12. When a believer is martyred, friends and family do not mourn. They have a celebration, and visit the family of the martyr bringing flowers and candy. They also pass out candy to people in the streets. This took place after the murder of 5 members of the Fogel family in Israel for example.
13. Mahmoud Abbas has honored terrorists by naming public places after them
14. Mahmoud Abbas demands the return of over 5 million "refugees." He considers this demand "holy," and refuses to back away from it. This would turn Israel into an Arab majority state.
15. This demand was also included in the 2002 Saudi Initiative
16. Zionism is equated with apartheid
17. Mahmoud Abbas demands Israel give up the Old City of Jerusalem, relinquishing all Jewish rights to the Kotel [Western Wall] and Temple Mount.
18. The Saudi Initiative also demanded Muslim control of the Old City.
19. Israel would have to give up control of the Golan Heights. Prior to '67 the Syrians constantly fired on the civilians below when they had control of the Golan, forcing thousands to sleep underground in bomb shelters.
20. Israel would be 9 miles wide north of Tel Aviv with '67 borders. This is less than the drive from the George Washington Bridge to Wall Street in New York City.
21. One could walk from the Mediterranean to the other side of the country in less than 3 hours.

22. The majority of Israel's population lives from Tel Aviv north. This area would have avowed enemies capable of launching rockets literally just a few hundred yards away.
23. This area is also where the majority of Israel's industry is located, making it highly vulnerable to rocket attacks.
24. Ehud Barak offered 95% of Judea/Samaria [West Bank] and was willing to divide Jerusalem. Yasser Arafat refused the offer
25. Ehud Olmert made a more generous offer and was willing to divide Jerusalem. Mahmoud Abbas refused the offer.
26. Muslims practice "taqqiya." This allows them to lie, and dishonor verbal or written agreements.
27. Yasser Arafat used this tactic when signing the Oslo Accord in 1993. He compared his signing to what Muhamed did regarding Koreish.
28. Another Islamic strategy is "Hudna." It is a strategic cessation of hostilities designed to buy time, in order to pursue victory at a later date.
29. Since 2001 almost 12,000 rockets and mortars have been fired into Israel [an average of 83 per month]
30. Since 1948 terrorists have killed approximately 3,200 Israeli civilians. [an average of 1 per week]
31. Every city in Israel is within rocket/missile range of Hezbollah and Hamas
32. Israel unilaterally withdrew from Gaza. It did not bring peace. Rocket/mortar attacks continued and escalated, requiring Israel to conduct "Operation Cast Lead," in Dec. '08/Jan. '09.
33. Since 1948, so many civilians have been killed by terrorists, Israel had to construct a security barrier.
34. According to an official Islamic publication 3% of the world's 1.5 billion Muslims are "fundamentalists." 3% equals 45,000,000. If they all lived in one country, it would rank #29 out of 220 in the world.
35. There has already been a two-state solution: UN resolution 181 in 1947. The Arabs rejected it. They reject it now. It is a requirement of Islam to reject a Jewish state.

❖ From the PLO charter: [1]

36. **Article 9:** Armed struggle is the only way to liberate Palestine. Thus it is the overall strategy, not merely a tactical phase. The Palestinian Arab people assert their absolute determination and firm resolution to continue their armed struggle and to work for an armed popular revolution for the liberation of their country and their return to it.
37. **Article 10:** Commando action constitutes the nucleus of the Palestinian popular liberation war.
38. **Article 15:** The liberation of Palestine, from an Arab viewpoint, is a national (*qawmi*) duty and it attempts to repel the Zionist and imperialist aggression against the Arab homeland, and aims at the elimination of Zionism in Palestine.
39. **Article 19:** The partition of Palestine in 1947 and the establishment of the state of Israel are entirely illegal, regardless of the passage of time.
40. **Article 20:** The Balfour Declaration, the Mandate for Palestine, and everything that has been based upon them, are deemed null and void. Claims of historical or religious ties of Jews with Palestine are incompatible with the facts of history and the true conception of what constitutes statehood. Judaism, being a religion, is not an independent nationality. Nor do Jews constitute a single nation with an identity of its own; they are citizens of the states to which they belong.

41. **Article 21:** The Arab Palestinian people, expressing themselves by the armed Palestinian revolution, reject all solutions which are substitutes for the total liberation of Palestine.
42. **Article 22:** Zionism is a political movement organically associated with international imperialism and antagonistic to all action for liberation and to progressive movements in the world. It is racist and fanatic in its nature, aggressive, expansionist, and colonial in its aims, and fascist in its methods. Israel is the instrument of the Zionist movement, and geographical base for world imperialism placed strategically in the midst of the Arab homeland to combat the hopes of the Arab nation for liberation, unity, and progress. Israel is a constant source of threat vis-a-vis peace in the Middle East and the whole world. ...the liberation of Palestine will destroy the Zionist and imperialist presence...
43. **Article 23:** The demand of security and peace, as well as the demand of right and justice, require all states to consider Zionism an illegitimate movement, to outlaw its existence, and to ban its operations...

❖ **From the Fatah Charter: [ii]**

44. **Article 4:** The Palestinian struggle is part and parcel of the world-wide struggle against Zionism, colonialism and international imperialism.
45. **Article 7:** The Zionist Movement is racial, colonial and aggressive in ideology, goals, organization and method.
46. **Article 8:** The Israeli existence in Palestine is a Zionist invasion with a colonial expansive base, and it is a natural ally to colonialism and international imperialism.
47. **Article 9:** Liberating Palestine and protecting its holy places is an Arab, religious and human obligation.
48. **Article 12:** Complete liberation of Palestine, and eradication of Zionist economic, political, military and cultural existence.
49. **Article 13:** Establishing an independent democratic state with complete sovereignty on all Palestinian lands, and Jerusalem is its capital city
50. **Article 17:** Armed public revolution is the inevitable method to liberating Palestine.
51. **Article 19:** Armed struggle is a strategy and not a tactic, and the Palestinian Arab People's armed revolution is a decisive factor in the liberation fight and in uprooting the Zionist existence, and this struggle will not cease unless the Zionist state is demolished and Palestine is completely liberated.

❖ **From the Hamas Charter: [iii]**

52. **Preamble:** 'Israel will exist and will continue to exist until Islam will obliterate it, just as it obliterated others before it.'
53. **Article 6:** The Islamic Resistance Movement is a distinguished Palestinian movement, whose allegiance is to Allah, and whose way of life is Islam. It strives to raise the banner of Allah over every inch of Palestine.'
54. **Article 7:** The Day of Judgment will not come about until Moslems fight Jews and kill them. Then, the Jews will hide behind rocks and trees, and the rocks and trees will cry out: 'O Moslem, there is a Jew hiding behind me, come and kill him.'
55. **Article 11:** The land of Palestine is an Islamic Waqf [Holy Possession] consecrated for future Moslem generations until Judgment Day. No one can renounce it or any part, or abandon it or any part of it.'
56. **Article 13:** Peace initiatives, and so-called peaceful solutions and international conferences are in contradiction to the principles of the Islamic Resistance Movement... Those conferences are no more than a means to appoint the infidels as arbitrators in the lands of

Islam... There is no solution for the Palestinian problem except by Jihad. Initiatives, proposals and international conferences are but a waste of time, an exercise in futility.'

57. **Article 15:** The day the enemies usurp part of Moslem land, jihad becomes the individual duty of every Moslem. In the face of the Jews' usurpation, it is compulsory that the banner of Jihad be raised.
58. **Article 32:** 'The HAMAS regards itself the spearhead and the vanguard of the circle of struggle against World Zionism... Islamic groups all over the Arab world should also do the same, since they are best equipped for their future role in the fight against the warmongering Jews.'
59. The official emblem of the PLO shows Palestine covering the entire land area of Israel [a.]
60. The official emblem of Fatah shows Palestine covering the entire land area of Israel [b.]
61. The official emblem of Hamas shows Palestine covering the entire land area of Israel [c.]
62. The official emblem of the permanent observer mission of Palestine to the UN has Palestine covering the entire land area of Israel [d.]
